This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the request of Advanced Telemanagement Group, Inc. (“ATG” or the “Company”) to withdraw its Application for a Certificate of Public Convenience and Necessity to provide interexchange telecommunications services within the State of South Carolina. ATG filed the Company’s Application for authority to operate as a provider of interexchange telecommunications services with the Commission on November 10, 2004.
